

Spall Repair

"You've saved me thousands and it looks incredible!"

Recolor Overcoat and ReSeal

"Wow! That's all I have to say. Wow!"

Stamp Overcoat

"This solution was incredible. Not only did you repair it, but I got the color I wanted."

Solid Color Epoxy Floor

"True to your word, this epoxy floor has far outlasted my previous attempts."

Stamp Seal

"I thought I would have to redo this to get that brilliant color back."

Acid Stain Epoxy

"This is a beautiful custom floor"

Skip Trowel Texture

"What a great solution to give me the textured look without the cost of stamp."

Paint Chip Epoxy

"I had no idea it would look this good"

Preventative Seal

"We couldn't find another product that matched your quality."

Patch Recolor Overcoat and Reseal

"Your solutions are incredible. You found a cost effective way for me to get exactly what I wanted"

Stamp Seal

"I thought I would have to redo this to get that brilliant color back."

Quartz

"What a clean look. It looks like a countertop. The complimenting color border was well worth the extra cost."

Paver Seal

"This really enhanced this stone. It also helps me keep the dirt off it. I would recommend this to anyone with pavers."

Acid Stain Epoxy

"Original, custom, it's a beautiful floor"

ReSeal

"What professionalism. You walked me through the process and exceeded my expectations."

Repair Damaged Stamped Concrete

"We are very impressed with what you have done. We had no idea it would look so good."
